

Singleton Dressage Annual Pointscore Information

In order to be eligible for an annual pointscore prize, riders must meet the following minimum requirements:

- Must be a financial member of the club at the time of competition to be awarded points for that competition. Points will not be back dated e.g. you cannot join in May 2019 and accrue points from a March 2019 competition.
- Membership can be paid in December of the previous year and carry forward to the following year. E.g. join in December 2018 would mean your membership is current from December 2018 – December 2019.

Points are awarded based on the following:

- Points are based on horse and rider combinations.
- Horse and rider combinations must have attended at least 50% of the competitions held during the year in one nominated level to be eligible. E.g. if 4 competitions are held, combinations must have done at least 2 competitions. If 5 competitions are held, combinations must have done at least 3 competitions.
- If different levels are competed during the year, combinations must have attended at least 2 competitions held during the year in each level to be eligible.
- All competition points are included for the annual pointscore including members' days.
- Points are allocated as follows for scores over 58%:
 - 1st 7 points
 - 2nd 6 points
 - 3rd 5 points
 - 4th 4 points
 - 5th 3 points
 - 6th 2 points
 - Attendance 1 point (attendance points are awarded for placings where the scores do not exceed 58% and for non-placing combinations who are not eliminated or did not retire)
- Where a tie occurs, points will be added together for the next placing and an average awarded. E.g. =1st each combination would be awarded 6.5 points (7 points for 1st + 6 points for 2nd = 13 divided by 2 = 6.5 points).
